Authors: CP Arango (corresponding)

JJ Beaulieu  
KM Fritz  
BH Jill  
CM Elonen  
MJ Pennino  
PM Mayer  
SS Kaushal  
DA Balz

As corresponding author of the above manuscript, I confirm that:

- the work as submitted has not been published or accepted for publication, nor is being considered for publication elsewhere, either in whole or substantial part.
- all authors and relevant institutions have read the submitted version of the manuscript and approve its submission.
- all persons entitled to authorship have been so included.
- the work conforms to the legal requirements of the country in which it was carried out, including those relating to conservation and welfare, and to the journal's policy on these matters.
